LETTER FROM THE BOARD

RE-ELECTION OF RETIRING DIRECTORS

In accordance with bye-law 102A of the Bye-laws, Mr. Phen Hoi Ping, Patrick, Ms. Tung Siu Ching and Mr. Wong Ka Lok, Andrew will retire by rotation and, being eligible, will respectively offer themselves for re-election at the AGM.

Biographical details of the retiring Directors who are proposed to be re-elected at the AGM as required to be disclosed under the Listing Rules are set out in Appendix I to this circular.

The re-election of the retiring Directors will be individually put to vote by the Shareholders at the AGM.

ISSUE MANDATE AND REPURCHASE MANDATE

At the annual general meeting of the Company held on 8 September 2016, ordinary resolutions were passed to grant general mandates to the Directors, *inter alia*, (a) to allot, issue and otherwise deal with additional Shares up to a maximum of 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the relevant resolution; and (b) to repurchase Shares in accordance with the Listing Rules up to 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the relevant resolution. These mandates will lapse at the conclusion of the AGM.

At the AGM, separate ordinary resolutions will be proposed to seek the approval of the Shareholders to grant to the Directors general and unconditional mandates to:

- (a) allot, issue and otherwise deal with additional Shares (and securities convertible into Shares) representing up to a maximum of 20% of the total number of issued share capital of the Company as at the date of passing of the relevant resolution and authorising the addition to the mandate to allot, issue and deal with further Shares to include the total number of such Shares (if any) repurchased by the Company pursuant to the Repurchase Mandate referred to in paragraph (b) below; and
- (b) repurchase Shares up to 10% of the total number of issued share capital of the Company as at the date of passing of the relevant resolution.

The Issue Mandate and the Repurchase Mandate will end on the earliest of:

- (a) the conclusion of the next annual general meeting of the Company; or
- (b) the expiration of the period within which the next annual general meeting of the Company is required by law or the Bye-laws to be held; or
- (c) the revocation or variation of the relevant resolution by an ordinary resolution of the Shareholders in general meeting.

LETTER FROM THE BOARD

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,256,265,322 Shares. On the basis that no further Shares will be issued or repurchased following the Latest Practicable Date and prior to the date of the AGM, the Company will be allowed to issue a maximum of 451,253,064 Shares under the Issue Mandate and to repurchase a maximum of 225,626,532 Shares under the Repurchase Mandate, representing not more than 20% and 10% of issued share capital of the Company respectively as at the date of passing of such resolutions.

An explanatory statement in relation to the Repurchase Mandate is set out in Appendix II to this circular containing the particulars required by the Listing Rules to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the AGM in relation to the Repurchase Mandate.

REFRESHMENT OF SCHEME MANDATE LIMIT

The Company adopted the Share Option Scheme on 15 September 2015. Apart from the Share Option Scheme, the Company has no other share option scheme currently in force. The Scheme Mandate Limit was set at 10% of the Shares in issue as at the date of adoption of the Share Option Scheme in compliance with the Listing Rules. Subject to prior Shareholders' approval, the Company may, at any time thereafter, refresh the Scheme Mandate Limit to the extent not exceeding 10% of the Shares in issue as at the date of the aforesaid Shareholders' approval. On 22 April 2016, 22,870,000 Options were granted, of which 22,710,000 Options remained outstanding, 160,000 Options had lapsed and none of them had been exercised or cancelled.

The existing Scheme Mandate Limit was refreshed on 8 September 2016, being the Last Refreshment Date. The existing Scheme Mandate Limit is 225,626,532 Shares, being 10% of Shares in issue as at the Last Refreshment Date. Since the Last Refreshment Date and up to the Latest Practicable Date, a total of 225,620,000 Options to subscribe for Shares were granted by the Company to certain Eligible Participants of the Group, of which 225,620,000 Options remained outstanding, and none of them had been lapsed, exercised or cancelled. As at the Latest Practicable Date, the Scheme Mandate Limit has reached depletion.

As at the Latest Practicable Date, there are a total of 248,330,000 Options outstanding since the adoption of the Share Option Scheme, representing 11% of the Shares in issue.

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,256,265,322 Shares. Pursuant to the terms of the Share Option Scheme and in compliance with the Listing Rules, the maximum number of shares, which may be issued upon the exercise of all the Options to be granted under the Share Option Scheme under the scheme mandate limit as refreshed should be 225,626,532 Shares, representing 10% of the Shares in issue as at the date of approval of the proposed refreshment of Scheme Mandate Limit.

LETTER FROM THE BOARD

The proposed refreshment of Scheme Mandate Limit is in the interests of the Group so that the Company can grant Options to selected Eligible Participants as incentives or rewards for their contribution to the Company and/or the Subsidiaries and/or to enable the Group to recruit and retain high calibre employees and attract human resources that are valuable to the Group.

It is proposed that subject to the listing committee of the Stock Exchange granting the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of the Options granted under the refreshed Scheme Mandate Limit and the passing of the relevant resolution at the AGM by the Shareholders, the Scheme Mandate Limit be refreshed so that the total number of securities, which may be issued upon exercise of all Options to be granted under the Share Option Scheme under the refreshed Scheme Mandate Limit as refreshed, shall not exceed 10% of the Shares in issue as at the date of approval of the proposed refreshment of Scheme Mandate Limit by the Shareholders at the AGM.

The Board proposes that the Scheme Mandate Limit be refreshed under Ordinary Resolution no. 5 at the AGM.

At any time, the maximum number of Shares which may be issued upon exercise of all Options which then have been granted and have yet to be exercised under the Share Option Scheme and any other share option schemes of the Company shall not, in the absence of Shareholders' approval, in aggregate exceed 30% of the Share in issue from time to time.

The proposed refreshment of Scheme Mandate Limit is conditional upon:

- (a) the passing of the necessary ordinary resolution by the Shareholders at the AGM to approve the proposed refreshment of Scheme Mandate Limit; and
- (b) the listing committee of the Stock Exchange granting the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of the Options to be granted under the refreshed Scheme Mandate Limit.

Application will be made to the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares which may fall to be allotted and issued pursuant to the exercise of any Options that may be granted within the refreshed Scheme Mandate Limit.

LETTER FROM THE BOARD

PROPOSED CHANGE OF AUDITOR

Reference is made to the announcement of the Company dated 22 September 2017 in relation to i) the retirement of Deloitte Touche Tohmatsu (“DTT”) as auditor of the Company upon conclusion of the AGM and ii) the recommendation from the audit committee of the Company and the Board for the appointment of HLB Hodgson Impey Cheng Limited as the auditor of the Company to fill the vacancy following the retirement of DTT at the AGM and to hold office from the date of the AGM until the conclusion of the next annual general meeting of the Company (the “Proposed Appointment”) subject to approval by the Shareholders at the AGM.

The Board has also confirmed that there were no relevant matters in respect of the Proposed Appointment that should be brought to the attention of the Shareholders.

Completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM or any adjournment thereof should you so wish.

Pursuant to Listing Rule 13.39(4), any vote of shareholders at a general meeting must be taken by poll except where the chairman of the meeting, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, each of the resolutions set out in the notice of the AGM will be put to the vote by way of a poll.

LETTER FROM THE BOARD

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the AGM.

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide information to you with regard to the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE OF SECURITIES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities (which shall include, where the context permits, shares of all classes and securities which carry a right to subscribe or purchase shares) on the Stock Exchange subject to certain restrictions amongst which the Listing Rules provide that the shares proposed to be repurchased by a company must be fully paid-up and all repurchases of shares by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution of shareholders either by way of general mandate to the directors to make such repurchases or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,256,265,322 Shares. Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no Shares are allotted and issued or repurchased by the Company prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 225,626,532 Shares, representing 10% of the issued share capital of the Company as at the date of passing the proposed resolution on the Repurchase Mandate.

3. REASONS FOR THE REPURCHASE

The Directors believe that the ability to repurchase Shares is in the best interests of the Company and the Shareholders as a whole. Repurchases may, depending on the market conditions and funding arrangements of the Company at the time, result in an increase in net asset value and/or earnings per Share. The Directors are seeking a general mandate to repurchase Shares so as to give the Company flexibility to do so if and when appropriate. The number(s) of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, a repurchase would be effected where the resulting reduction in the issued capital of the Company was considered beneficial. The Directors believe that an ability to repurchase Shares gives the Company additional flexibility that would be beneficial. Shareholders can be assured that the Directors would only make such repurchases in circumstances where they consider them to be in the interest of the Company because they consider the Shares can be purchased on favourable terms.

4. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for such purpose in accordance with the Company's memorandum of association and Bye-laws, the Listing Rules and the applicable laws of Bermuda. The Companies Act 1981 of Bermuda (as amended) provides that the amount of capital paid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or from the proceeds of a fresh issue of shares made for the purpose. The Companies Act 1981 of Bermuda (as amended) further provides that the amount of premium payable on repurchase may only be paid out of either the funds that would otherwise be available for distribution or dividend or out of the share premium account of the Company. The Shares repurchased will be treated as cancelled and the amount of the Company's issued share capital will be diminished by the nominal value of such Shares, but the aggregate amount of the Company's authorised share capital will not be thereby reduced.

On the basis of the consolidated financial position of the Company as at 30 April 2017 (being the date to which the latest published audited consolidated financial statements of the Company have been made up) and in particular the working capital position of the Company at that time and the number of Shares in issue as at the Latest Practicable Date, the Directors consider that there would not be a material adverse impact on the working capital position and that there would not be a material adverse impact on the gearing position of the Company in the event that repurchases of all the Shares the subject of the proposed mandate were to be carried out in full during the proposed mandate period. However, no repurchase would be made in circumstances that would have a material adverse impact on the working capital or gearing position of the Company (as compared with the financial position disclosed in its latest published audited financial statements) unless the Directors consider that such repurchases were in the best interests of the Company.

5. DIRECTORS' INTERESTS

To the best of the knowledge of the Directors having made all reasonable enquiries, there are no Directors or close associates of the Directors who have a present intention, in the event that the Repurchase Mandate is granted by the Shareholders, to sell any of the Shares to the Company.

6. CORE CONNECTED PERSONS

No core connected persons of the Company have notified the Company that they have a present intention to sell any of the Shares to the Company and no such persons have undertaken not to sell any of the Shares held by them to the Company in the event that the Repurchase Mandate is granted by the Shareholders.

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases of the Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Bermuda and the regulations set out in the memorandum of association and Bye-laws of the Company.

8. SECURITIES REPURCHASES MADE BY THE COMPANY

During the six months preceding the Latest Practicable Date, the Company had not repurchased any of the Company's listed securities (whether on the Stock Exchange or otherwise).

9. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months immediately prior to the Latest Practicable Date were as follows:

Month	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2016		
September	0.800	0.640
October	0.970	0.610
November	0.720	0.550
December	0.600	0.455

January	0.610	0.450
February	0.610	0.500

September (up to the Latest Practicable Date)	0.156	0.118

10. TAKEOVERS CODE AND THE PUBLIC FLOAT REQUIREMENT

If as a result of a share repurchase, a shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code and, if such increase results in a change of control, may in certain circumstances give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, there was no substantial shareholder. Such increase is not expected to give rise to an obligation on them to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate. Furthermore, the Company and the Directors have no current intention to exercise the Repurchase Mandate, to such extent as would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

Further, the Company may not repurchase its own Shares on the Stock Exchange if that repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the Company's issued share capital.
